STEVE HALLER

Mrs. Mumford,

I enjoyed talking to you and hope the enclosed is helpful. The original records cited are in Montgomery County Records Center (4th & Main, Dayton) at 225-4284. There are mentions of Elizabeth Twp. before 1808, etc.

Have you thought of sending a copy of Ohio to Preservation (Nat'l Trust) ... they might do an article also.

Good luck with your very worthwhile efforts to preserve a beautiful part of Ohio!
